[redacted] STAT

US Army War College
Carlisle Barracks, Pennsylvania 17013

Dear Jim,

John Weinstein just delivered to me a splendid Army War College tie clip that you so kindly obtained for me. It is much more impressive than its broken predecessor and I shall wear it constantly and proudly.

[redacted] I enjoyed greatly the time we spent with you [redacted] and the pleasant arrangements you made for us. Altogether I am greatly in your debt.

As ever!

Hans
